

PATRON PROGRAM

Join the League of Champions (LOC) Patron Program and together we will make a difference!

Mission: Inspiring and influencing leaders to commit, collaborate and take action to improve safety culture through awareness, education, promotion and recognition leading to safer construction workplaces in Ontario.

Vision: Our vision is simply to inspire leaders to be Health and Safety Champions

Why be a Patron?

A patron with the League of Champions provides organizations with an elevated status with regards to their health and safety image in their respective industry. Being associated with the LOC demonstrate to your employees, to your clients and to the public at large that your company embodies the following attributes:

By becoming a Patron, your company has chosen to;
Inspire the leaders within your organization to be health and safety champions
Support the values of the organization including placing workers health and safety as the highest priority
Lead by example in improving safety behaviour in your organization

Additionally, the LOC supports our Patrons by:

Recognizing our Patron members for their outstanding achievements
Promoting and supporting Patrons with webinars, networking and recognition events
Receiving personalized outreach to each Patron to facilitate greater gains than an organization can achieve alone

By becoming a Patron of the League of Champions, we will strive to have each Patron be recognized as a safety leader and provide continuous support for your safety excellence. There are three Patron levels to choose from. Each level has its own individualized benefits and opportunities.
